R110 BRAKE & CLUTCH CLEANER

Brake cleaner helps brakes last longer and perform better.

Powerful cleaning aerosol used to remove oil, grease, dirt and dust from brakes and clutches, aiding in the elimination of brake squeal and clutch slip caused by glazing and contamination.

Perfect for cleaning and degreasing:

- Brake linings
- Calipers
- Cylinders
- Drums
- Clutch discs
- Brake shoes
- Wedge brakes
- Disc brake pads
- Springs
- Discs
